1. Royal Gorge Region Visitors Guide

Guides were distributed to tourist information racks and Colorado's ten official visitor centers under the terms of a \$13,000 contract with Certified Folder Display Service, Inc. and Colorado Activity Centers (CAC).

Royal Gorge Chamber Alliance fulfilled 5,860 direct requests for printed copies of the Royal Gorge Region Visitors Guide.

These requests reached us through the publisher's website, our website, and leads programs subscribed to through the Colorado Tourism Office and other sources.

Royal Gorge Chamber Alliance

The Royal Gorge Chamber Alliance is the defacto "office" and public face for the virtual organization that is the FCTC, answering the published telephone numbers and responding to inquiries from email and walk-in visitors.

Tourism telephone inquiries: 440 to tourism lines.

The Chamber is the local repository of the Royal Gorge Visitors Guide. They are available to local businesses wishing to maintain their own supply for distribution.

CTO Grant Recipient

On behalf of the region, DestinationIQ (formerly known as VistaWorks) compiled and submitted applications for the Colorado Tourism Office's Marketing grant and Tourism Management grant in 2022. **The FCTC was successful in obtaining a \$40,000 grant and \$20,000 grant**, respectively, which we matched with \$25,000 from the FCTC budget. This money is invaluable and was used for the following:

- Mountain bike trail digitization (recording rides, writing descriptions, photography, webpage creation, app setup)
- TravelStorys Bighorn Sheep Canyon audio tour and digital promotion

Destination Management Partners

As one of the few all-volunteer Destination Marketing Organizations in Colorado, the Fremont County Tourism Council relies on its marketing partners to reach and influence prospective visitors.

Integral to those efforts are:

DestinationIQ: Agency of Record. Coordinates all marketing campaigns, communications, and ad buys. Website design, content creation, and administrative support.

Fremont County: administrative support with meeting minutes, accounts payable, and financial reporting (special thanks to Charlene Halstead and Andy Lovins).

Colorado Activity Centers (CAC): publishes the Visitors Guide. CAC complements Guide distribution using their own racks and resources, and through 2018, fulfilled direct requests for Visitors Guides.

Certified Folder: distributes Visitors Guides to racks across a wide area of the state.

VisitCOS (Visit Colorado Springs): a major generator of leads (prospective visitors, seeking information about our destination). VisitCOS produces News Releases and social media programming featuring stories about the Royal Gorge Region.

Colorado Tourism Office and Colorado.com: the state's official tourism website, generates the majority of leads for our marketing efforts.

Community Partners

The Council continues to work with the **Fremont County Heritage Commission** to distribute and market self-guided tours.

Community Grants

FCTC Bylaws require that at least 5% of annual lodging tax revenue be distributed to local community organizations. Over \$12,000 was distributed to fourteen (14) community organizations to help fund event marketing efforts.

Industry Participation & Association

The FCTC is a member of both the Colorado Association of Destination Marketing Executives (CADMO) and the Tourism Industry Association of Colorado (TIAC).

CADMO's membership is composed of ~25 Destination Marketing Organizations (DMOs) from across the state, and it works closely with the Colorado Tourism Office.

TIAC's membership is composed of DMOs and other tourism-related businesses across Colorado. Membership dues and proceeds from the Annual Legislative Reception support lobbying efforts in the state legislature; monitoring legislation that may impact tourism.
