EXPLORE THE ROYAL GORGE REGION

FAR Out, Royal Gorge Trails

Welcome to the Royal Gorge Region

If you are already in the Royal Gorge Region you've made a great choice among many beautiful and fun Colorado destinations. If you are just now considering a visit, we hope to see you soon. Base your Royal Gorge Region adventure in Cañon City, the "Climate Capital of Colorado"! We are warmer, drier and sunnier than Colorado Springs and Denver. Close and convenient, but without the crowds and traffic that can overwhelm other popular destinations.

Families and visitors of all ages will find there are loads of options to enjoy the area's amazing scenery from your vehicle, aboard a historic train, or a guided jeep tour. Take in the sweeping mountain vistas from America's highest suspension bridge, nearly 1,000 feet (305 m) above the Royal Gorge, or from the deck of a beautifully appointed cabin, while you enjoy a glass of wine from our local, award-winning winery.

Many visitors consider the Arkansas River our finest natural asset. We are America's top destination for whitewater rafting, and anglers relish the fact it is the country's longest stretch of Gold Medal Trout water. Our trail networks offer something for every ability level, whether on foot or a bicycle. Up for a challenge? Check out mountain bike trails, or world-class rock climbing. There is an exhilarating zipline across the gorge, plus classic and extreme courses above treetops and canyons.

Don't forget to visit the region's museums, history and heritage sites. Downtown Cañon City and Florence are both hidden gems offering quaint, locally-owned shops, farmer's markets, restaurants, breweries, and annual festivals. Learn about dinosaurs that roamed this land 150 million years ago through outstanding indoor and outdoor exhibits and interpretive trails. You will find our series of self-guided heritage tours a helpful resource for further discovery, with ideas on other things you can enjoy for free.

Plan more than a day to experience all the Royal Gorge Region has to offer. We recommend you spend at least a night, or more. Options include hotels, motels, cabins, B&B's, full service and forest campgrounds, or even glamping! We know you will enjoy your visit, and look forward to welcoming you to the attractions and activities that await in the Royal Gorge Region. Safe travels.

Rafting the Royal Gorge

Royal Gorge Region Activities

For those who want to experience real, rustic Colorado in all its bluebird-sky, whitewater, big adventure glory, the Royal Gorge Region is the perfect destination. Combine the striking natural landscape with year-round mild weather and laid-back local vibe, and you've got the ideal Colorado vacation. From hiking and biking, to ATV rides and **Gold-Medal fly fishing**, your next adventure is waiting.

Feel the power of the **Arkansas River** on one of the country's most sought after whitewater rafting experiences as you paddle between the sheer rock walls of the Royal Gorge, or float the family-friendly Bighorn Sheep Canyon. The Arkansas is also home to some of the country's best fly fishing. Stop by a local outfitter for a guided outing.

High above the river, cross America's highest suspension bridge at the Royal Gorge Bridge & Park, where you can **zipline** and feel the free-fall rush of the Skycoaster (www.royalgorgebridge.com). Soar above the valley in a helicopter tour, or zip across the bridge on a thrilling Segway tour. Take to the trails on foot or on bike and journey into the backcountry of our beautiful region.

Climb aboard the **Royal Gorge Route Railroad** for an unbelievable journey through the steep and narrow 10-mile-long canyon. Be sure to visit the open-air car for **wildlife viewing**. Jeep, segway, and ATV tours are also available for scenic tours of the Gorge and surrounding areas.

After your adventures, **browse the many art galleries** along Main Street in both Cañon City and Florence. For a peek into local dinosaur, mining, and geologic history, peruse local museums including the Florence Pioneer Museum (www.florencepioneermuseum.org), and the Royal Gorge Regional Museum and History Center (www.museum.canoncity.org). Check out the local wineries beginning with **The Winery at Holy Cross Abby** (www.abbeywinery.com).

As you continue your journey, drive the scenic **Gold Belt Tour**, walk discovery trails, and search for fossils.

From the forest to the canyon, the rushing river to our charming Main Streets, the Royal Gorge Region promises to feed your spirit and create everlasting memories.

Royal Gorge Bridge & Park

The Royal Gorge Bridge & Park is one of Colorado's iconic and must-see attractions. Known as America's Bridge located in the heart of the Royal Gorge Region, visitors can walk across one of the world's highest suspension bridges and take in pure Colorado fun and scenery.

Not only can visitors enjoy the breathtaking scenery from above the gorge, they can now climb the steep walls on the new Royal Gorge Via Ferrata. This attraction is a protected and safe climbing system on the sheer vertical walls of the Royal Gorge, using trained guides, climbing lanyards with carabiners, steel cables, and iron rungs installed into the rock surfaces. Routes 400-600 feet into the gorge are tailor made for the beginner up to the advanced. This is a perfect family outing for an unforgettable experience. The Royal Gorge Via Ferrata is suitable for ages 10 and up. (Extra pay feature, reservations required.)

Other world class attractions include the gondolas traversing 2,400 feet across the gorge and Tommy Knockerland, a children's play land, featuring a beautifully crafted carousel and climbing structures. Kids will enjoy the splash pad, wax hand store and sluice box during the summer months.

For the daring, the Royal Gorge Cloudscaper by ZipRider flies guests a thousand feet over the river, and patrons can experience the World's Scariest Skycoaster sitting on the very edge of the gorge. Both are extra pay features and open mid-March to end of December (weather permitting.)

The park, including the Bridge and Visitor Center, is open 365 days a year. The Visitor Center, with its mammoth deck overlooking the gorge, is the perfect place to shop, dine, or just relax and enjoy the surroundings.

The park has a storied history beginning with the spectacular undertaking of building the Royal Gorge Bridge in 1929, and is the highest suspension bridge in America to date. The bridge survived a wild fire in 2013 and sustained only minimal damage while 90% of the park was destroyed. The re-build was a spectacular undertaking. Visit the Plaza Theater and Historical Expo for the whole story!

Check the website www.royalgorgebridge.com for more information, make online ticket purchases, or reservations for the Royal Gorge Via Ferrata.

Whitewater Rafting

WHITEWATER RAFTING

The Arkansas River is the sixth longest river in the United States, and within the first 140 miles of its 1,469 miles is a wealth of scenic and recreational opportunity. Kayakers, rafters, and stand-up paddlers will find a section that is perfect for every adventure level. For those with limited experience, you'll find plenty of whitewater outfitters ready to help you craft your perfect rafting experience.

UPPER BIGHORN SHEEP CANYON

This scenic stretch of river, located between Salida and Cañon City, is family-friendly. Rapids range from a calm float to small waves. Watch for bighorn sheep as you pass through the heart of southern Colorado's high desert environment.

BIGHORN SHEEP CANYON

Located before the start of the famed Royal Gorge, Bighorn Sheep Canyon is the perfect stretch for families and first-time rafters looking for some waves and challenges. Tackle such rapids as Spikebuck, Five Points, and Shark's Tooth, class III rapids that will keep any paddler on their toes!

THE ROYAL GORGE

World-class whitewater in a stunning environment is the main draw for whitewater enthusiasts who flock to the Royal Gorge. Class III-V rapids challenge kayakers and rafters as they battle Sunshine Falls, Boateater, and other rapids sitting over 1,000 feet below the rim of the gorge and the famed Royal Gorge Bridge.

WHITEWATER KAYAK AND RECREATION PARK

Centennial Park features surf waves adjacent to the city's Centennial Park. Located on 3rd St., the park offers onlookers the chance to watch body surfers, kayakers, and others enjoy the play waves. At moderate water flows, there is a wading pool built into the river's edge. The park hosts the annual Royal Gorge Whitewater Festival in July. Kids and families will love the Splash Pad, which is a great way to cool off on a hot day.

Raft Trips & Packages in the Royal Gorge

For the best summer ride in Colorado plan on getting wet and enjoying some of the Royal Gorge Region's world-famous attractions with Raft Masters in Cañon City, only 45 miles southwest of Colorado Springs.

Whether it's the relaxing sound of flowing water, the scenery, or the mild-to-wild thrill of world-class whitewater, the Arkansas River draws people from around the world to Raft Masters in the Royal Gorge region. With rapids that range from Class I to Class V there's a trip for everyone.

There is no better way experience the Royal Gorge Region than from the river itself. When deciding how to choose a raft trip, Raft Masters suggests choosing a trip based on the level of difficulty, the ages of the participants (particularly children), your physical condition, length of trip and the type of raft (paddle or paddle assist) you prefer.

It is also recommended to ask an outfitter how long they have been in business (with the current owners), the trips they run, as well as any additional costs you might expect such as rental fees for additional equipment like wetsuits and boots.

Whitewater rafting trips are available at Raft Masters from March through October. Water levels fluctuate throughout this period, so depending on what type of experience you're looking for you should plan accordingly.

Do you want the biggest waves and wettest rides? Then late May through June is best, when water levels are at their peak. In July water and air temperatures are rising and water levels are moderating, making for ideal rafting conditions. July is also the busiest month of the Colorado rafting season, and weekdays are generally less busy than weekends.

August is warm and dry with lower water levels that are challenging due to the technical difficulty of the lower flows. Early and late season trips are uncrowded and relaxing-paced.

Do you want to do more than raft? Leave the planning to Raft Masters and experience Full-Day packages that combine a half day of rafting with other exceptional area attractions. Packages include Colorado Jeep Tours, the Royal Gorge Railroad, the Royal Gorge Bridge & Park, zip lining, ATV tours, and more.

Get more info or book any of these tours and packages by calling Raft Masters at (719) 275-6645, or visit them online at www.RaftMasters.com. The friendly staff at Raft Masters is ready to help you choose the right trip.

CARE FOR COLORADO PRINCIPLES

■ KNOW BEFORE YOU GO:

Do your research to know what you'll need. Take a reusable water bottle everywhere

■ STICK TO TRAILS:

Help natural areas stay natural by staying on the path.

WITH A LITTLE PREPARATION, A SPIRIT OF ADVENTURE AND A SOFT SPOT FOR NATURE, YOU'LL BE ON THE TRAIL TO EXPLORING COLORADO LIKE A LOCAL.

■ LEAVE IT AS YOU FIND IT:

Take home the beauty in a photo and not in your backpack.

■ TRASH THE TRASH:

If you pack it in, pack it out — even food scraps and poop! If you come across trash, pick it up.

■ BE CAREFUL WITH FIRE:

Keep campfires small, and put them out until you can handle the embers.

■ KEEP WILDLIFE WILD:

No feeding, approaching or touching, no matter how cute they are.

■ SHARE OUR TRAILS & PARKS:

Yield to the uphill bikers and hikers; silence your cell phone and search for the trail less traveled.

Hiking & Biking the Royal Gorge Region

Add some adventure to your visit by heading out on the Royal Gorge Region's trails. From challenging singletrack bike rides to quiet riverside strolls, you'll find something for everyone in the area. Unique geology, wildlife, wildflowers, and stunning views await!

ROYAL GORGE PARK:

The Royal Gorge Park trails offer incredible views of the Royal Gorge and the Sangre de Cristo Mountain Range. Trails range from relatively easy to advanced. The Canyon Rim Trail, including Elk Horn Loop, offers up breathtaking views, but be aware of exposed areas. East Ridge Campground connects to a multitude of trails, including S'Mores – a popular option for young bikers.

ARKANSAS RIVERWALK TRAIL:

The Riverwalk Trail runs through some of the most scenic parts of Cañon City. Along the 7-mile stretch of trail, you'll track the river's course through the city, passing farmland, cottonwood groves, and city parks. The Riverwalk Trail is mostly a flat, maintained trail that is open during all seasons-perfect for families and cruiser bike rides. Don't miss the historic tunnels on Tunnel Drive at the westernmost end of the trail.

SOUTH CAÑON TRAILS:

From the Eagle Wing Trailhead near the Riverwalk, try Mutton Bustin' for an easy ride or walk. Those looking for a challenge (and inspiring views) can head up Hard Time to The Great Escape. This trail system connects to Cañon City's B.F. Rockafellar Park, commonly known as Ecology Park – a popular hiking destination.

OIL WELL FLATS:

One of the most popular and extensive trail systems in the area, Oil Well Flats includes 12 miles of singletrack trails. Cruise through high desert as you ascend Unconformity or Fire Canyon toward Island in the Sky for spectacular views of Cañon City and beyond to the Wet Mountains and the Sangre de Cristo range.

See page 25 for a local trail guide to plan your adventure.

Photo by Nick Landry

Descending Unconformity - Oil Well Flats

For complete maps and directions to trailheads, grab a free copy of FAR's Recreation & Trail Guide, available at the Cañon City Chamber of Commerce or the Royal Gorge Visitor's Center in Veteran's Park. See www.joinFAR.org to download the guide. Check out the Colorado Trail Explorer (COTREX) app for interactive maps of this and other Colorado trails.

ATV/Four-Wheeling

The Royal Gorge Region has some of the best trails in Colorado for ATV and 4-wheel fun at the Texas Creek Recreation Area. Detailed maps are available at Cañon City Chamber of Commerce, and the Visitors Center Cabin.

Clearance varies on these routes, and the network links some ATV sections with 4-wheel drive. There are miles and miles of trails and tracks. Among the most popular 4-wheel drive routes are Bull Gulch (606), Fremont County Road 27 (27), Fernleaf Gulch Connector (6020) and Reese Gulch Bypass (6024). Popular with ATVers are East Arkansas River Overlook (6025), Cut Off (6036) and Tucker Trail (6035).

Always consult maps, check weather forecast in advance; and be aware of the BLM regulations.

The Royal Gorge Region also has several guide services – a great idea for novice riders or folks unfamiliar with Rocky Mountain terrain. Visit the combined BLM/USFS regional office at 3028 E. Main Street, Cañon City for regulations, trail maps and other outdoor recreation information.

Rock Climbing

The Royal Gorge Region is no stranger to rock climbing. Boasting one of Colorado's largest sport climbing destinations, Shelf Road, the region is a year-round destination for rock climbers. With a wealth of cliff options at Shelf Road, you will find plenty of sunny or shady climbing areas at most of the climbing sites.

The lesser-known but still awe-inspiring Tanner Dome offers adventurers single and multi-pitch climbs as well as sport and traditional/mixed routes. You'll find the climbing area by heading south on Oak Creek Grade Road, and approach via the East Bear Gulch Trail. Please note: The Tanner Dome area is closed to climbing from April 1st to August 1st for peregrine falcon nesting.

High Altitude Adventure

If you're looking for some high-altitude adventure in Colorado, the Royal Gorge Region has a wealth of opportunities. From traversing cliff faces to driving one of America's most incredible scenic roads, there's something for every age and ability level to experience.

ROYAL GORGE VIA FERRATA

No experience is necessary for this exciting, scenic, and world-class climbing adventure. Your guide will outfit you with all of the gear necessary to descend into the famed Royal Gorge and traverse cliff faces. Choose the adventure length that is right for your group – from 2.5-5 hours. Must be 10 years old to participate.

SKYLINE DRIVE

This historic attraction allows bicycles and vehicles to soar above the Arkansas River Valley on a one-way road. Built in 1905 using labor from prisoners at the nearby Colorado State Penitentiary, Skyline Drive is 2.5 miles long and features dramatic views and hikes, and even real dinosaur tracks. Take note of the Gateway Arch at the start of the drive – built in 1932 made with rocks from states across the U.S. The route closes in inclement weather and please take note of vehicle restrictions.

POINT ALTA VISTA TRESTLES

Point Alta Vista scenic viewpoint was a family favorite in the 1980's, allowing visitors to peer into the Royal Gorge from a viewpoint accessed by a miniature train. Now, the trestles are accessible by foot or bike via public trails at the Royal Gorge Trails. See www.joinFAR.org or the COTREX app for more information on trailheads, difficulty level, and distances.

ZIPLINE

Whether you'd like to soar across the 1,000-foot Royal Gorge or spend an afternoon zipping around the Royal Gorge hills, the Royal Gorge Region has plenty of options. Zipping over tree tops or canyons will leave you with memories to last a lifetime.

Cañon City Farmer's Market

Agricultural Heritage & Agritourism

With its mild temperature and rich soil, the Royal Gorge Region has been an agricultural hub since the 1860s, when Jesse Frazer planted Colorado's first apple tree, ultimately establishing the state's first orchard. Today, the region boasts farms, orchards, seasonal pumpkin patches, corn mazes, and bountiful vineyards, making it ideal for hosting farmers markets and agricultural tours.

A trip to the Cañon City farmers market (Tuesdays from 8am-1pm, June through September in Veteran's Park) is a great way to enjoy fresh produce and homemade goods while supporting regional farmers and local businesses. Vendors typically sell seasonal produce, honey, bread, garden crafts, and body products, including hand-crafted soaps and oils.

Learn how to grow your own food at some of the local farms, which offer classes and events like Extending Your Growing Season, Grow & Use Culinary Herbs, and Building Healthy Soil. During the spring, some farms open their doors and give visitors the opportunity to purchase plants and other farm-raised products.

In the fall, take your kids to the orchards for a field trip, where they learn about the cycles of apple trees, irrigation, how apples grow, and the bugs that crawl on them. Kids also pick apples, run through the orchard's one-of-a-kind corn maze, and sip on homemade apple cider. At special times throughout the year, hayrides and a farm stand are also available.

For adults wanting a relaxing afternoon, the Winery at Holy Cross Abbey is the place to be. Since 2002, the winery has been winning awards for its wine, while its tasting room has become one of the largest and most successful in the state. Voted "Best Front Range Tasting Room" by the Colorado Vine, the Winery at Holy Cross Abbey is designed to make your wine experience truly memorable.

The Winery at Holy Cross Abbey also hosts the annual Harvest Festival. Often considered the quintessential outing during Colorado's ideal time of year, this festival combines wine, artisans, food, and entertainment against Cañon City's gorgeous autumn backdrop.

Wine tasting at the Winery at Holy Cross Abbey

Locally-sourced treats

The Winery at Holy Cross Abbey

Since July 2002, The Winery at Holy Cross Abbey has attracted visitors from all over the world. Located on the pastoral and serene grounds of the historic Holy Cross Abbey, nestled against the spectacular backdrop of the Wet Mountains, the winery and tasting room are shining examples of what draws visitors to Cañon City and Fremont County.

The tasting room is open daily all year. There is ample parking, and the beautiful tree-shaded park has picnic tables where you can enjoy a bottle of wine and order a luncheon prepared by the Holy Cross Abbey. The educated staff will guide visitors through a tasting of multi award-winning wines. The gift shop is filled with items from all over the world, as well as many items that are distinctively Colorado.

The winery is host to many events throughout the year, including Harvest Fest and Spring Wine Extravaganza. The annual benefit "Wine & Wings" features large owls, eagles and falcons from Nature's Educators in Sedalia, Colorado. Through partnerships with other local attractions, visitors can book a Raft+Wine or Jeep Tours+Wine experience. The FAR (Fremont Adventure Recreation) partnership that benefits our local trails plans many events and hosts an annual cornhole competition.

A VIP Wine and Cheese tasting is offered seasonally. You can enjoy a wine and cheese tasting on the terrace that includes a private hostess and a sampling of all wines, including reserves. We have selected artisan cheeses, breads, fruit, chocolates and other delectables that best accompany each wine. A partnership with the Abbey Events Complex ensures the platters are made in a professional kitchen.

The Congregation Wine Club started six years ago and boasts over 500 members. Not a typical wine club, Congregation members receive a vintage tee and special offers throughout the year. "Members Only" VIP accommodations during Harvest Fest, special pricing on Spring Wine Extravaganza, free shipping and other annual benefits make this a must-join wine club.

The winery is also a wonderful place for your gift shopping, as they can now ship wine to most states. Your gifts can be taken care of from start to finish. Check the winery's website for information on events, wines, awards, and to shop online at www.abbeywinery.com.

The tasting room is open Monday through Saturday from 10:00am until 6:00pm April 1st-December 31st and on Sundays from noon until 5:00pm. January through March the tasting room is open Monday through Saturday 10:00am to 5:00pm and Sunday from noon to 5:00pm. For more information call 877-422-9463 (HCA WINE) or visit them at www.abbeywinery.com.

GARDEN PARK FOSSIL AREA

Garden Park Fossil Area, located just north of Cañon City on Red Canyon Road, is a 2,700 acre-area that has produced significant dinosaur fossils for over 140 years. Some of the Jurassic fossils from this area are now at the Smithsonian National Museum of Natural History and the Peabody Museum at Yale University. Three stegosaurus skeletons, including Colorado's state fossil were excavated here. It now features interpretive markers and trails. www.HandsOnTheLand.org/garden-park

INDIAN SPRINGS TRACE FOSSIL SITE

The privately owned Indian Springs Trace Fossil Site is also designated by the National Park Service as a National Natural Landmark. Located just east of Cañon City on the private Thorson Family Ranch, the National Park Service designated it as a National Natural Landmark due to the importance of the Ordovician Period (485 to 443 million years ago) trace fossils found there. These traces fossils include tracks left by trilobites, fish, and other prehistoric marine creatures at the bottom of a shallow lagoon or sea. To arrange a private tour, visit: www.IndianSpringsRanchCampground.com

Fishing, Wildlife & Bird Watching

The Royal Gorge Region and its lands are home to an amazing variety of wildlife viewing opportunities. Keep your eyes open for **deer, bighorn sheep, pronghorn antelope, elk, bear, eagles** and other birds of prey.

Grab your binoculars and a field guide for some of the best bird watching in Colorado. Bird watchers will want to check out the large blue heron populations along County Road 69 and also along the Arkansas River. Buntings, Eagles, Kittiwakes, Goshawk, Kestrel, Woodpeckers, and Yellowthroat are also common in the region.

Cañon City's Riverwalk Trail follows the Arkansas River for more than seven miles, winding through wetlands, groves of cottonwoods and the parks. An early morning or evening stroll along the Riverwalk Trail provides great opportunities for bird watching and wildlife spotting.

GOLD MEDAL FLY FISHING

The **Arkansas River** is the longest Gold Medal River in North America, and attracts anglers from all over the world. With some of the highest trout densities of any freshwater watershed in the world, anglers can expect to see trophy-sized **Brown Trout, Rainbow Trout** and even the occasional **Cutthroat**. The Arkansas River is also known as a renowned dry fly fishery with large hatches from March through October.

The Arkansas River and surrounding drainages are year-round fisheries, however, anglers begin to flock to this area during the famed **Caddis Hatch** which begins the first week of April. This hatch begins in Cañon City and moves to the headwater near Leadville over the course of several months. However, July through September can offer some of the best productivity of the year with heavy hatches and overall favorable conditions to wade or float the river.

RIVER RECREATION

Rafts and kayaks of every size float the beautiful **Arkansas River** from spring through summer and even into early fall. Some anglers fish from rafts and enjoy a thrilling ride through the rapids from Texas Creek to Parkdale and even through the gorge! A recreational raft trip is a good way to enjoy the river when the flows may be too swift for quality fishing. Check with local outfitters for guided fishing or rafting trips on the Arkansas River.

Arts & Culture

First-time visitors are immediately struck by the mild climate and the breathtaking natural beauty of the Royal Gorge Region, but often it's the rich artistic expression and cultural diversity that brings people back.

PUBLIC ART

Public art in the Royal Gorge Region is on display in downtown Cañon City. Macon Plaza, the pedestrian-only area on Macon Street between Fifth and Sixth Streets in front of the Fremont Center for the Arts includes a Sculpture Garden across from the recently restored Carnegie Library. Along Main Street you'll find over a dozen changing displays. The Florence Art Council has purchased and placed art throughout the downtown as well.

THE ROYAL GORGE REGIONAL MUSEUM & HISTORY CENTER

The Royal Gorge Regional Museum & History Center is the premier research facility for local historical information for Fremont County and the surrounding Royal Gorge Region. They are located in downtown Cañon City at 612 Royal Gorge Blvd., in the historic Municipal Building. The Research Room has family and address files for a number of local residents, businesses, and homes. The museum also has other research materials such as historical photographs, local newspapers on microfilm, and area maps.

The museum is primarily located on the second floor of the historic Municipal Building with three separate galleries showcasing locally-found fossils, local artists and rotating exhibits. To round out the museum tour, 1860's Anson Rudd pioneer family cabin, the oldest residential structure in Cañon City, is open for visits behind the museum, weather permitting.

The Royal Gorge Regional Museum & History Center is open Wednesdays-Saturdays from 10am to 4pm. For more info visit www.museum.canoncity.org, on Facebook, or at 719-269-9036.

THE FREMONT CENTER FOR THE ARTS

The Fremont Center for the Arts (FCA) was founded in 1947 and has the distinction of being the oldest privately-run art center West of the Mississippi River. We are located in the heart of downtown Cañon City in the former 1931 Post Office building, which is listed in the National Register of Historic Places.

Our mission is to foster and enrich the cultural and economic health for the greater Fremont County region through partnerships, presentations, education, and preservation of the arts for present and future generations.

We offer interactive classes on subjects from figure drawing, creative writing, portraiture, matting and framing, ceramics, dance, and more.

Each month the main gallery show changes, offering artists of all levels an opportunity to display their works. Our permanent collection started in 1947 and continues today with over 300 fabulous pieces. The collection is constantly rotated throughout the building and speaks to the art culture of Fremont County.

MUSEUM OF COLORADO PRISONS

The Museum of Colorado Prisons is quite unique, located next door to the Colorado Territorial Correctional Facility, an operational prison which opened in 1871. The Museum of Colorado Prisons houses no inmates within its walls. Instead, the former Women's Correctional Facility contains 30-plus cells, each transformed into exhibits covering more than 140 years of the state's incarceration history. Displays encompass everything from confiscated contraband, inmate arts and crafts, original artifacts, and thousands of inmate records. Besides the audio tour or self-guided tour booklets (available in 4 languages), the museum invites visitors to participate in occasional events every year, such as nighttime ghost-hunting expeditions. Make the time to do time with us.

BELL TOWER CULTURAL CENTER

The Bell Tower Cultural center, 201 East 2nd St in Florence offers a wide array of events. A monthly jazz concert series features jazz, folk, acoustic, cowboy poetry and more. Shop, enjoy lunch, browse boutiques, and take in galleries and public art. Stop to marvel at turn-of-the-century details and craftsmanship in the amethyst glass skylights along the sidewalk at Fourth Street and Main. Or view remnants of below-ground shops that were part of the late 1800s' McClure House/Strathmore Hotel, believed to be the oldest building in Colorado continuously used as a hotel.

Local dining options run the gamut from epicurean to mom's home-cooking. Linger over coffee and pastries, indulge in authentic Mexican, or treat yourself to Italian and family-friendly burger mastery. Nosh on pizza with a side of entertainment. Laugh over wings and beer and a fierce game of 8-ball. Or kick back and take in the relaxed surroundings as you sample homemade fare and chat up the locals.

Spend the day shopping for soul-stirring books, new and consigned boutique clothing and shoes, smithed and handmade jewelry, fine art by the well-known and the up-and-coming, handcrafted furniture, sporting goods, soaps and lotions, special gifts, knickknacks and prized antique finds.

For the ultimate in relaxation, visit one of our many salons, day spas and massage therapy studios. And, of course, get in your cultural fix at the galleries along Main Street. Stroll public art displays and view intriguing sculpted works like John Alderman's cougar and Bobbie Carlyle's two young girls and an ethereal angel.

Burn off some energy at one of Cañon City's parks. Downtown, check out Centennial Park adjacent to the river, or enjoy the park's new playground and splash pad.

Enjoying Centennial Park's Splash Pad.

Visit Western Fremont County

Exploring Western Fremont County might include a drive on U.S. Hwy 50, rafting the Arkansas River through Big Horn Canyon, casting a line on North America's longest stretch of Gold Medal Trout Water, or venturing into vast tracts of public land on an off-highway vehicle (OHV). The Bureau of Land Management (BLM) Field Office in Cañon City has maps and information about trails open to OHV use. Inquire about commercial outfitters offering guided all-terrain vehicle (ATV) tours.

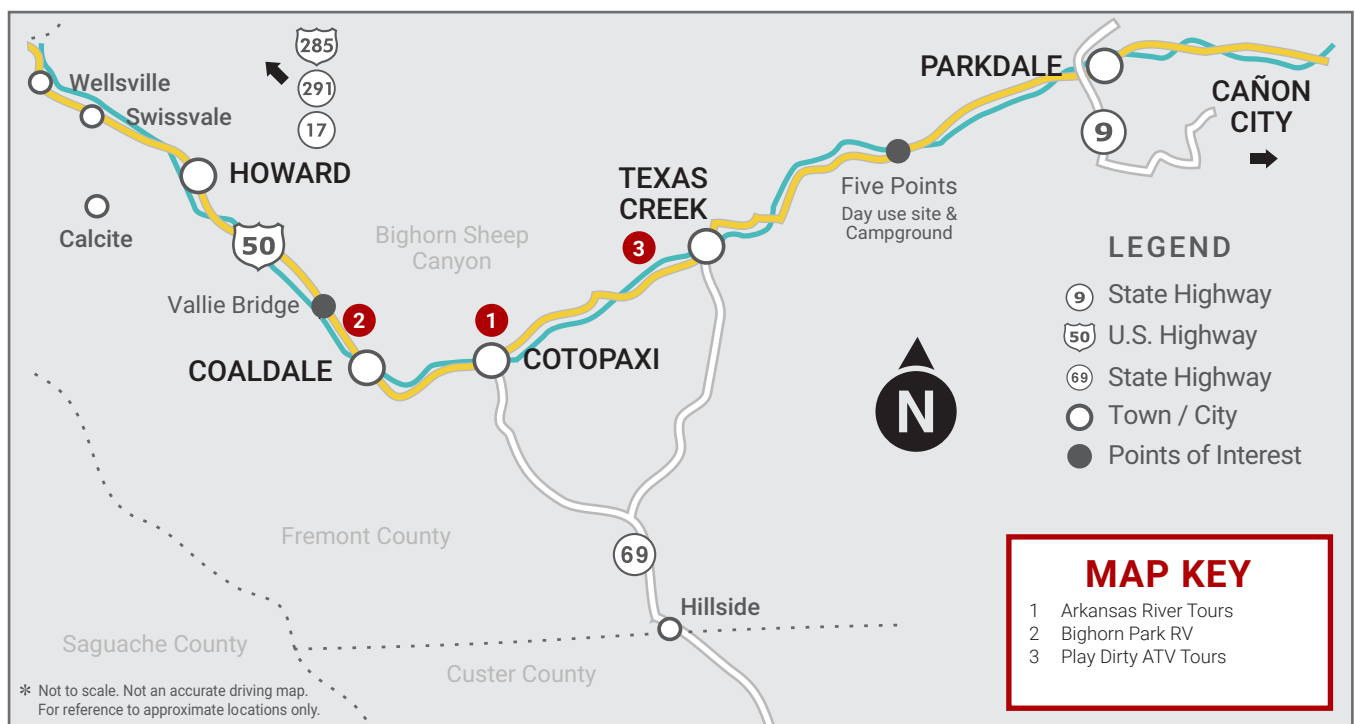

Photo Courtesy Hillside, Colorado
Gillespie Photography

It is a 60-mile (97km) drive from Cañon City to Salida, just a few miles beyond Fremont County's western boundary. Motorists will enjoy breathtaking, river canyon scenery, towering cliffs, rock pinnacles, and high mountain peaks; and may even spot a Rocky Mountain big horn sheep along the roadside. With a little effort, hikers can find trails for any skill level, and there are miles of remote, county roads for cyclists to explore. In Wellsville – just a spot on the map – visitors will find one of Colorado's most unique and challenging aerial adventure parks, hewn into walls of a narrow, sandstone canyon.

Several small riverside towns along the way offer a place to stop for food and fuel, or directions from a friendly local. Interested in the area's rich history and heritage? Pick up the Fremont County Heritage Tours self-guided booklets for Western Fremont County, or Historic Howard (a town, not a person!), available at www.fremontheritage.com, or from visitor centers.

The highway route hugs the banks of the Arkansas River – the sixth longest river in the U.S., – nearly the entire way across the county. The Arkansas River Headwaters Recreation Area, managed by Colorado Parks & Wildlife, maintains several recreation sites for rafting, fishing, reserved camping and picnicking along the way; each have toilets. The area is recognized as one of the nation's most popular locations for whitewater rafting and kayaking. The Five Points recreation site, 24 miles (39km) west of Cañon City, has a riverside platform that's perfect for watching rafters shoot the rapids.

Enjoy the authentic feel of Western Fremont County, unparalleled scenery, and Colorado's great outdoors!

Pueblo, Colorado

GREENHORN MOUNTAIN

Pueblo is your home base to your next Colorado adventure. Just southwest of Pueblo, you can find the hidden gem of Greenhorn Mountain. Reaching the top of the North Peak takes about an hour and once you reach the summit you will find breathtaking views of the Sangre de Cristo Mountains to your west and Pikes Peak to your north. Visit Pueblo and add this amazing view to your Colorado bucket list!

RIVERWALK

In the heart of downtown Pueblo, you will find the Historic Arkansas Riverwalk. Stroll the 1 mile long channel and explore over 54 art pieces, take a boat ride, eat and drink like a local or shop historic Union Ave for a unique treasure. The Pueblo Riverwalk is the perfect destination for family and pooch friendly fun or romantic alone time with a special someone.

PUEBLO CHILE

True foodie's want to be in the know of all things unique and tasty. Pueblo Green chile is only grown in the rich soil of the Arkansas River Valley in Pueblo County, and Puebloans eat it on everything! Pueblo's signature dish, The Sloppler, is an open-faced cheeseburger smothered in Pueblo green chili sauce. Featured on Food Network and Major League Eating, this is MUST TRY as you eat your way through Southern Colorado!

NEON ALLEY

Are you looking to boost your Social Media status, or just looking for your next note worthy selfie? Known as the "Greatest Collection of Neon Signs in a one-block area east of the Las Vegas Strip and west of Times Square", Pueblo's Neon Alley offers that one-of-a-kind backdrop. Not for your average junk yard cat, this Alley is one part eclectic (and electric!) museum and one part public arts project.

AVIATION MUSEUM

Known as the Home of Heroes, Pueblo, CO is also home to one of the largest aviation museums in the state. The Pueblo Weisbrod Aircraft Museum spans over 85,000 square feet and nearly a hundred years of military and aviation history, boosting military uniforms, personal effects, weapons, and other artifacts from all branches of the U.S. military, including allies and enemies! Explore and appreciate military history in Pueblo!

RIVER SURFING

Pueblo, Colorado has one of the best whitewater parks in the state for river surfing. As summer snowmelt runs down the Rockies to Pueblo, it starts to flood the Arkansas River with Activity. The area has lured kayakers, boaters, water-skiers and surfers alike! Located in the heart of downtown, It's no wonder Pueblo is quickly turning into Colorado's top surfing destination.

Plush Vacation Rentals to Classic Camping in the Royal Gorge Region

After a full day of exploring, when your eyes have seen all they can see and your body is ready to rest and recharge, make your way to your Royal Gorge Region home away from home.

Choose from **RV resorts**, trusted national hotel chains, **charming cottages**, and locally owned **bed and breakfasts**. There are also family-focused ranches, budget-friendly motels and quaint idyllic inns. Surround yourself with your favorite amenities. Pools, hot tubs, fireplaces, pet-friendly rooms, comfy robes and gourmet breakfasts. Discover that perfect rustic riverside campsite. You'll find it here.

Traveling with a large group or hosting a family reunion? There are plenty of deluxe and affordable vacation rental destinations with room for multiple families to stay and play. Area guest ranches also offer space for your extended crew, filling your days with hands-on-only-in-Colorado experiences.

When nothing but a flickering fire and snoozing under the stars will do, area **campgrounds** deliver on private, city, and national lands. Royal Gorge camping can be as primitive as a tent or as cozy as a cabin. Try a combination of the two and experience luxury camping by going glamping. Both invite you to sit back and enjoy the breathtaking countryside and take advantage of the area's year-round mild weather.

And for those who prefer roughing it with a roof overhead, a soft mattress underneath and warm blankets all around, the region is brimming with resorts, ranches, and campgrounds offering **cabins to glamping tents**. Some locations even offer laundry, hot showers, pools, and riverside spaces.

For those who prefer camper wheels to tent poles, the region offers several well-equipped **RV pull-through sites** complete with amenities such as full hookups and free Wi-Fi.

Wherever you rest your head, you can be sure sweeping views of rugged and rolling foothills and spectacular mountain peaks come standard.

Outdoor Dining

Locally-Sourced Meals

Craft Beers

Cañon City Dining

Around town and in Cañon City's historic Main Street District, you will find a nice selection of locally-owned dining establishments that offer our visitors and residents options to the national chains found everywhere. Whether you crave Italian, French, Asian, Mexican or American classic, or even a cross-cultural blend, they're all available.

OUTDOOR DINING

Choose from classic diners, to patio seating with corn-hole games and fire pits, or sit under sidewalk umbrellas with a view of the streetscape. Just west of town up on 8 Mile Hill you'll find more, (some open seasonally only) offering sand volleyball, live entertainment, rollicking scenes, or quieter space that blurs the line between indoors and out, with views of the Sangre de Cristo Mountains towering along the horizon.

LOCALLY-SOURCED MEALS

Cañon City has long been an agricultural hub, and you'll find plenty of locally sourced produce prepared in area eateries. From homemade pasta, to foods from organic farms and orchards or historic family ranches, you'll taste the real difference that freshness makes. Check the directory in this guide or ask about where you can find farm raised, grass-fed beef, locally grown herbs, and heirloom fruits and vegetables. Southwestern-style green chili is a local and regional specialty – and chefs take pride in offering their own recipe alone, on breakfast burritos or pizza, and even over pasta or fries.

CRAFT BEERS AND WINE

No visit to Colorado would be complete without a sampling of locally-made craft beers or wine. The Cañon City and Florence area has its own favorite local brewers, and many restaurants keep plenty of other Colorado craft beers on tap. Whether it's after a raft trip or a bike ride, hike or stroll, you can sit and relax with a well-earned brew or of your choice. Don't forget to ask our liquor retailers about local wine, or any of the dozens of Colorado beers or spirits our state has become so well known for.
